7. The grant of study leave to Mr Masevenhas is not quite in accordance with the Govt of India order on the subject. Under the Govt of India rules only Furlough allowances (i.e. half average salary) are admissible, while full pay has been given here. Where additional allowances in addition to what is admissible in British India have been sanctioned, we must, therefore, take care to see that other concessions inadmissible there are not sanctioned here. From para 1 of the study leave rules printed on Page 75 of the Madras Sec. Appendix to the British Service Regulations, it is seen that the leave granted is 'Extra Furlough'
